## Paving the Way for a Better Seaforth

### Construction Update for this Week:

- Continue to install concrete sidewalks to Hwy 8
- Grade parking stalls along Main Street
- Continue to install new street light poles and crosswalk
- Install water service to Post Office and Ralph Smith's Law Office on Wednesday October 14th. Water will be shut off to these two locations 'only' from 8:30 am to 4:30 pm. *(Access to back alley will be limited at both ends during this time. If possible, please park behind Town Hall or in the parking lot beside Seaforth Plumbing & Heating during this time. Many thanks!)*

### IMPORTANT MESSAGE TO BUSINESS & PROPERTY OWNERS LOCATED ALONG MAIN STREET, WHO **DO NOT** HAVE SIDEWALKS.

When concrete work is being completed for the sidewalks, a ramp will be installed from the edge of the form to the building entrance. The ramps will be removed for the time it takes to finish the concrete work and then re-installed until the cement hardens. We will make every effort to keep everyone up to date with the sidewalk progress.

### Construction Time Lines for October 2020

- Installation of concrete sidewalks to continue for approximately 2 more weeks.
- Installation of asphalt to continue until mid-to-late October.
- The earliest date Main Street is expected to be **RE-OPEN** is October 23rd.

*All dates are subject to change due to weather or other unforeseen circumstances.*
