

# Bulky Waste

Some materials are just not made to be disposed of curbside. Whether you are a resident doing a spring clean up, a renovation project, or you have oversize items to dispose of, you can bring it directly to the local landfill that serves your ward.

- Air conditioners, fridges, freezers and other items containing Freon require a disposal tag.

# Yard & Leaf Waste

Yard waste can be composted on your property or you can drop it off at no charge at:

Brussels - north edge of Brussels,  
west of Tumberry Street  
Grey/McKillop - Walton Landfill at  
42966 Blyth Road

Seaforthy/Tuckersmith -  
79522 Hannah Line (Harphurhey)

Materials accepted include:

- Grass and leaf clippings
- Clean wood
- Brush
