## Road Construction Up-date Week of April 29th, 2019

### Staying in the know.....

One road construction crew will be installing sanitary sewer, storm sewer and watermains in the intersection of Lloyd Eisler Street and Kippen Road.

The second road construction crew will be installing a storm sewer on Silver Creek Terrace from the outlet through the easement. Once completed through the easement, they will switch to a sanitary sewer and install it from Kippen Road going easterly.
