Statement:

The Corporation of the Municipality of Huron East establishes a Grants Policy to provide a structured, transparent and accountable framework for providing financial assistance to community organizations.

Purpose:

The purpose of this policy is to support community-based organizations that deliver programs, events or services that benefit the residents of Huron East.

Policy:

1. An annual budget of \$5,000 shall be allocated for municipal grants, subject to approval through the municipal budget process.
2. Individual grants shall be limited to a maximum of \$1,000 per organization per calendar year.
3. Grants shall be provided at Council's discretion and are subject to available funds.
4. Organizations may be required to report on the usage of the funds, upon request.

Responsibility:

Council is responsible for approving the annual grants budget and for reviewing the grant allocations made.

Administration is responsible for reviewing the policy, upon request of Council, facilitating the request process and maintaining records of approved grants.
