3. ACCEPTANCE OF QUOTATIONS

The Municipality of Huron East reserves the right to accept any Quotation, in whole or in part that it feels is most beneficial to the residents of the Municipality of Huron East. Therefore, the lowest or any Quotation may not necessarily be accepted.

4. WITHDRAWAL OR QUALIFYING OF QUOTATIONS

A bidder, who has already submitted a quotation, may submit a further quotation at any time up to the official closing time. The last quotation received shall supersede and invalidate all quotations previously submitted by that bidder for this Contract.

A bidder may withdraw their quotation at any time up to the official closing time by submitting a letter bearing his signature and seal as in his quotation to The Municipality of Huron East. No facsimile or telephone calls will be considered. After the official closing time for receiving of quotations, all quotations received shall be irrevocable.

5. CLARIFICATION

Should a bidder find discrepancies in or omissions from the quotation documents, or should there be any doubt as to their meaning, inquiry should be made with the

Designated Official, telephone (519) 527-0160. Should a correction, explanation, or interpretation be necessary or desirable, a written addendum will be issued to all bidders. Addenda, issued during the bidding period, are part of these Quotation Documents. It is the responsibility of the bidder to obtain from the Municipal office any and all addendums issued with respect to this Tender and to attach such addendums to the tender for verification that they have been received and acknowledged.

6. RESERVATIONS

The Municipality reserves the right to accept any quotation in whole or in parts thereof judged most satisfactory, without liability on the part of the Municipality.

The Municipality reserves the right to reject any or all quotations. The lowest or any quotation will not necessarily be awarded a Contract.

Quotations which are incomplete, conditional, or obscure or which contain additions not called for, erasures, alterations and irregularities of any kind may be rejected as informal.

7. PRICES AND BUDGETS

The Municipality of Huron East has a strictly defined budget for the work within this Contract and reserves the right to change the scope of this Contract to bring the quotation price within the available budget limits. The Municipality reserves the right to waive formalities and enter into negotiations with the low bidder, or any other bidder that it deems appropriate in order to bring the project to within any given budget limit. Should it be determined that the changes in the scope of the Contract are of sufficient magnitude, then the Municipality shall cancel the quotation process, then, at its discretion, commence a new process in order to complete the project within the budget available. Changes to the scope of this Contract, either by changes in scheduling, changes in quantities of work and/or deletion of any part of the work shall not entitle the Contractor to any extra compensation. The Municipality will not be held responsible for any cost incurred by any bidder associated with preparing or submitting a quotation for this project, should the quotation be rejected or the process cancelled.

8. SELECTION PROCESS

THE MUNICIPALITY OF HURON EAST

Quotation for the Supply of Dust Suppressant and Road Stabilization Products

SPECIFICATIONS

1. In this quote, the following definitions are specific.

Liquid Calcium Chloride means liquid calcium chloride solution containing a minimum of 35 per cent by mass of pure Calcium Chloride.

Effective Chloride Composites means liquid solutions containing a minimum combination of calcium and magnesium by mass of 18 per cent.

35% Calcium/ Magnesium Chloride solution shall be a solution containing not less than 27% by mass of calcium chloride plus magnesium chloride in sufficient amount to yield a combined calcium chloride equivalency of not less than 35% calcium chloride using industry or MTO standards for equivalency ratings. In either case the resulting solution shall have a pH between 6 and 9 and shall not contain any other impurities exceeding 2% by mass and shall not contain any amounts of hazardous impurities exceeding levels permissible by any agency, regulatory or other governing body.

The onus of proof of compliance shall rest solely on the supplier of any such products who shall supply representative certificates of analysis and other such reasonable documentation upon demand to support compliance with the above specifications

2. DELIVERY CONDITIONS

The contractor shall deliver liquid product in truckload quantities to the Municipality, under normal conditions, given 1 full day advance notice.

The Municipality may request less than truckload deliveries to satisfy special situations. In such cases, the Contractor and Municipality will arrange mutually suitable times. If applicable, the Contractor will notify the Municipality in advance if any extra charges apply to cover less than truckload shipments.

The application(s) of any type of dust suppressant should meet OPSS Specification #506. The quote is to be based on supply and application of full truckload units.
